August 22, 2025

Become a Sponsor of the LACF 7th Annual Scholarship Dok Huk Gala

Dear Friends and Community Partners,

On behalf of the Laotian American Community of Fresno, we invite you to join us as a sponsor for the 7th Annual Scholarship Fundraiser - *Dok Huk* (Flower of Love) Gala, the “Crown Flower” on Friday, October 3, 2025, at Toca Madera Winery in Madera, CA.

LACF is a nonprofit dedicated to empowering Laotian American youths and families through social and cultural programs that promote higher education, leadership, and cultural identity. Fresno County is home to over 20,000 Laotian Americans, many of whom continue to face barriers related to literacy, cultural identity, and economics. Our programs directly address these challenges by providing mentorship, access, and connection.

The Dok Huk Gala is more than a fundraiser; it's a joyful evening of community gathering and cultural celebration, featuring live music, a traditional Lao dinner by local restaurants, cultural performances, raffles, and silent and live auctions.

Your sponsorship helps sustain our vital work, including scholarships for Laotian American students, youth summits, mentoring, career preparation, cultural workshops, storytelling programs, and leadership training.

Thank you to our generous partners, we've awarded tens of thousands in scholarships and reached hundreds of youth and families, but the need is growing.

Sponsor Benefits Include:

- Logo placement, recognition at the event, and social media promotion
- Preferred seating & complimentary tickets (based on tier)
- Tax-deductible contribution and inclusion in post-event outreach
- A chance to directly support future Lao American leaders

Let's build a stronger, more vibrant future together.

To confirm your sponsorship or reserve a table, please contact one of our team members.
